

# NEUROSCIENCE IMAGING CENTER

1 Irving Street  
San Francisco, CA 94143  
415.476.4232

## DIRECTIONS USING PUBLIC TRANSIT

## From the East Bay

Take BART to the Civic Center station and take the N-Judah Muni Metro, or exit to Market Street and take the No. 6-Parnassus bus to the campus. The Muni bus line operates along Market Street with a stop in front of the campus on Parnassus Avenue.

## From Marin and Sonoma Counties

Take Golden Gate Transit to the Transbay Terminal. Walk one block to Market Street. Enter the Muni Metro/BART Montgomery Street station and take the N-Judah Muni Metro to the campus.

## From the Peninsula

Take CalTrain to the San Francisco station. From there, take the N-Judah Muni Metro.

Take SamTrans to 8th and Mission streets. Walk one block to Market Street and take the No. 6-Parnassus bus, or enter the Muni Metro/BART Civic Center station and take the N-Judah Muni Metro.

## Driving/Parking

There is a public parking garage accessible from both Irving and Parnassus Streets. Parking costs will **NOT** be reimbursed unless you have been told otherwise. There is free 2-hour street parking around Irving Street

### Once on Campus:

Take elevator bank down to Irving Street level. Walk East towards **Staff Parking Garage** and follow path that parallels garage entrance (just to the left of the loading dock). There is a sign labeled "**Magneric Resonance Imaging Center**", follow path and ring doorbell. Call number above if you become lost.
